Firlik et al have reported an error in their November article, “Quantitative Cerebral Blood Flow Determinations in Acute Ischemic Stroke: Relationship to Computed Tomography and Angiography.” The legend for Figure 1 was incorrect as printed and should have read as follows:

**Fig 1.** Head CT scan showing a left frontal hypodensity in patient 20.

The authors regret the error.
Correction

Stroke. 1998;29:873
doi: 10.1161/01.STR.29.4.873
