In the article entitled “Reduction in the Recurrence of Stroke by Eicosapentaenoic Acid for Hypercholesterolemic Patients: Subanalysis of the JELIS Trial” by Tanaka et al., in the “Study Design and Patients” section (page 2053), line 4, “men aged over 40 to 70 years” should read “men aged over 40 to 75 years.” The authors regret this error.

The corrected version can be viewed online at http://stroke.ahajournals.org.
