In the Abstracts From the 2008 International Stroke Conference, which appeared in the February 2008 issue of the journal (Stroke. 2008;39:527–729), a correction was needed.

On page 698, abstract P531, in the “Results” section, the second sentence read, “Rates of hospitalization for sub-arachnoid hemorrhage were 4.2, 3.0, 4.0 and 3.1 per 100,000 for the years 1985, 1990, 1995 and 2000 respectively, . . .” It has been updated to read, “The rates of hospitalization for subarachnoid hemorrhage were 13.5, 12.4, 15.1 and 13.0 per 100,000 for the years 1985, 1990, 1995 and 2000 respectively, . . .” The authors regret this error.

This correction has been made to the current online version of the abstracts, which is available at http://stroke.ahajournals.org/cgi/reprint/39/2/527.
