Correction to: Intracranial Carotid Artery Calcification Relates to Recanalization and Clinical Outcome After Mechanical Thrombectomy

In the article by Hernández-Pérez et al, “Intracranial Carotid Artery Calcification Relates to Recanalization and Clinical Outcome After Mechanical Thrombectomy,” which published online ahead of print December 22, 2016, and appears in the February 2017 issue of the journal (Stroke. 2017;48:342–347. DOI: 10.1161/STROKEAHA.116.015166), a correction is needed.

On page 345, left column, second line, the sentence read “Patients who achieved complete arterial revascularization had larger burden of ICAC…” has been changed to read “Patients who achieved complete arterial revascularization had lower burden of ICAC....”

This correction has been made to the current online version of the article, which is available at http://stroke.ahajournals.org/content/48/2/342.
